

Need a Presentation, Training, Exhibit, or Demonstration?

Access Independence Deaf & Hard of Hearing TAP Program has been established to provide education, awareness, and other services related to hearing and communication. We can design programs to meet specific needs.

Topics offered are:

Presentations to people working with people who are deaf or hard of hearing Deaf

Culture / Deaf-Blind Cultures

Hearing Loss & Noise Prevention (For the Children)

Technology available through TAP, to persons who are deaf, hard of hearing, deaf-blind, or speech disabled

Virginia Relay / Video Relay

Hearing Carry Over (HCO) phones for speech disabled

CapTel® captioning telephones

American Sign Language (ASL)

Baby Signs® Program

During the year, we have several special events that can be presented:

March Deaf Awareness Month

April Noise Awareness Month

May Better Speech & Hearing Month

June Deaf-Blind Awareness Week

September Deaf Awareness Week

December Thomas Gallaudet University Week
