

Melody Crossway

Pre-Employment Transition Services Manager

Melody Crossway joined Access Independence, Inc. (Ai) in August 2022. She has over 20 years of experience working with agencies that provide support to persons with disabilities.

Melody's roles range from management to executive leadership, and she has served veterans and individuals with developmental disabilities, traumatic brain injuries, and low-income to no-income populations under social service programs.

Currently Melody serves transition aged youth, with self-advocacy skills and workplace readiness, and independent living skills, which has been a passion throughout her career.
