

David Booth

Vice-President, Ai Board of Directors

Physical Therapist

David Booth joined the Board of Directors at Access Independence, Inc. (Ai) in April 2021. David is a former Ai Board member.

David has been a physical therapist for 33 years and spent 30 with Valley Health. David retired from Valley Health in 2024 where he served as the Winchester Medical Center Director of Outpatient Rehab Services.

David recently decided to go back to work full-time doing what he loves and is working at Mary Free Bed Rehabilitation Hospital, the in-patient rehab unit co-run with Valley Health.

Over the years, David has had the opportunity to use his team's Rehab skills to assist in areas such as the original Free Medical Clinic, and equipment donations to Wheels for the World. David has served on the Board of Directors with the Adult Care Center.

David enjoys working in the yard, gardening, music, and time with his wife, son, 3 grandsons, and 3 stepdaughters. David also enjoys caring for his 6 Nigerian Dwarf Goats and 5 dogs.
